Our Services:

G-d said that we would be a congregation transformed by His healing, restoration, and renewal, and this is what we are seeing! We are a congregation of Jews and non-Jews one in Messiah expecting to see an overflowing of His Ruach HaKodesh, as it says, He is faithful to resurrect the dead, and make (Yeshua) Salvation sprout!

Who We Are:

Our Messianic Jewish Congregation is a home to all - to those that seek Healing, Restoration, and Rebirth. From our personal lives to our family, friends, and the community outside, we each have a role in the establishment of His Kingdom. We have a voice and it is time that the congregation hears the needs of its members. As it is written, "Yet a time is coming and has now come when the true worshipers will worship the Father in the Spirit and in truth, for they are the kind of worshipers the Father seeks." John 4:23
